GAA Skills - The children have been enjoying their GAA sessions with Eoin. Eoin is a fully vetted coach with huge experience and always so pleasant to deal with.

Standardised Testing in Literacy and Numeracy

The testing for this year has now been completed. Results will be issued on school reports which will be sent out during the 2nd week of June. If your child's result disappoints you in any way, please bear in mind these tests do not take into account your child's ability as a whole. You can speak to your child's teacher with regard to how best to support your child.
