Well done to all the boys and girls. We are so proud of them! Each child will receive a special certificate tomorrow and we will display our Rosette with pride within the school.

### Student Council

Our student council organised and managed some sports events recently for the Junior and Middle room. They also made a GOOD LUCK banner for our past pupil Liam Maloney who is playing in the Mayo Minor 1/4 final this weekend. A huge thank you to the Student Council for their wonderful work this year.

### End of year Reflection

If wishes worked like magic,  
And plans worked that way too,  
And everything you wished for,  
Whether good or bad for you,  
Immediately was granted  
With no effort on your part,  
You'd experience no fulfillment  
Of your spirit or your heart.

For things achieved too easily  
Lose their charm and meaning too,  
For it is life's difficulties  
And the trials we go through  
That makes us strong in spirit  
And endow us with the will  
To surmount the insurmountable  
And to climb the highest hill.

So wish not for the easy way  
To win your heart's desire,  
For the joy's in overcoming  
And withstanding flood and fire,  
For to triumph over trouble  
And grow stronger with defeat  
Is to win the kind of victory  
That will make your life complete.
